Dear Parents and Carers,

The 2016-2017 academic year has been one of significant and rapid change at Marlborough Primary School. Members of our school community who were able to attend the recent Governors, Parents and Carers forum will testify, much work has taken place since September to raise standards and improve the quality of teaching, learning, assessment, safety, behaviour, attendance and overall provision at Marlborough Primary School.

Whilst this has undoubtedly presented challenge at times, I am grateful and proud of what together 'Team Marlborough' has achieved in our aims of getting all children to maximise and achieve their potential in a safe, secure and caring environment for 'Every Child's Bright Future'.

Below, I present the end of year achievements of Marlborough Primary School in this, the second year since the Department for Education's, (DfE) introduction of standardised assessment.
