Dear Parents and Carers,

The 2017-2018 academic year has again been one of significant change, development and improvement for Marlborough Primary School. Parents and Carers who have attended the leading parent partnership meetings, greater depth and transition workshops will testify to the tireless determination and commitment all of the staff at 'Team Marlborough' have had when working in collaboration with the children, parents, carers and governing body to improve the ways in which we work to raise standards and achievement amongst our children and across all aspects of the school.

Whilst we have much to do in our pursuit of excellence, I continue to be proud and thankful of what **TOGETHER** we have achieved in our aims of getting all children to maximise and achieve their potential in a safe, fun, secure and caring environment for 'Every Child's Bright Future'.

Below I present the end of year achievements of Marlborough Primary School in this, the third year since the Department for Education's, (DfE) introduction of standardised assessment.

Thank you for your continued support.
Yours sincerely,

Mrs D. Byron
Headteacher
