Rights Respecting Schools

As a Rights-Respecting School, we use children’s rights to underpin everything we do and learn. Marlborough Primary School has been working closely with UNICEF, and is a ‘Rights Respecting’ School. The term is bestowed on those schools who, in the eyes of UNICEF, put the ‘UN Convention on the Rights of the Child’, (UNCRC) at the heart of their planning, policies, practice and ethos.

UNCRC is a list of rights that all children, everywhere in the world, have. The rights are all the things that children and young people need to make sure they are healthy, happy and safe. A rights-respecting school not only teaches about children’s rights, but also models rights and respect in all its relationships: between adults and children, between children themselves, and between adults themselves.

**Rights Respecting Schools**

As a Rights-Respecting School, we use children’s rights to underpin everything we do and learn. Marlborough Primary School has been working closely with UNICEF, and is a 'Rights Respecting' School. The term is bestowed on those schools who, in the eyes of UNICEF, put the *'UN Convention on the Rights of the Child’* (UNCRC) at the heart of their planning, policies, practice and ethos.

UNCRC is a list of rights that all children, everywhere in the world, have. The rights are all the things that children and young people need to make sure they are healthy, happy and safe. A rights-respecting school not only teaches about children's rights, but also models rights and respect in all its relationships: between adults and children, between children themselves, and between adults themselves.
Marlborough Primary School is a Rights Respecting School. We place the UN Convention on the Right of the Child (UNCRC) at the heart of our policy and practice, based on the principles of equality, dignity, respect, non-discrimination and participation. Our behaviour plan aims to support everyone in our community in ensuring children’s rights are learned, taught, practised, respected, protected and promoted.

**Article 28:** Children have a right to an education. Discipline in schools should respect children’s human dignity

**SCHOOL RULES**

The school has five simple MAGIC rules which apply throughout the school at all times. These rules must be implemented by all staff at all times whether dealing with their own class or others.

1. **Make the right choices and follow instructions straightaway**
2. **Aim high and give it your all**
3. **Go for Green**
4. **In all you do, demonstrate and be proud to represent Marlborough Primary School**
5. **Children and adults at Marlborough are respectful and kind to everyone and everything**

**SCHOOL VALUES**

Friendship, respect, tolerance, honesty and determination

**GOING FOR GREEN**

We support and encourage positive behaviour at Marlborough Primary School. Every day is a new day, and an opportunity to start and end the day on green. This demonstrates good behaviour.

**PROMOTING POSITIVE BEHAVIOUR**

Marlborough Primary School promotes and rewards positive behaviour and celebrates this with the school community in a number of ways.

**‘Praise on a postcard’**

Each week teachers select 2 pupils who have demonstrated good behaviour, following the MAGIC rules. A postcard is sent home to parents, informing them of their child’s achievements and reinforcing their positive learning behaviour. When a child has received the postcard, they are awarded a ‘crown’ (EYFS/KS1) or a ‘table topper’ (KS2) that remains with them for the week, celebrating their achievement.

**Headteacher postcard**

Each half term the Headteacher selects one child from each class who has demonstrated the MAGIC rules and who has been a positive role model for the school. A post card celebrating this will be sent home.

**SMSA Lunchtime awards**

Positive behaviour in the playground is recognised and rewarded by the SMSAs and Sports Coaches. Children will be given a sticker for displaying and demonstrating the MAGIC rules.
**Class Awards**

Once a week there is an ‘Attendance and Behaviour’ assembly. The class with the most ‘greens’ and least ‘reds’ receive the Best Behaved class certificate and Behaviour Cup to display in class for the week.

**POSITIVE LEARNING BEHAVIOUR**

The MAGIC rules provide positive reinforcement that enhances learning within the classroom. These are celebrated in a number of ways.

**Relentless Writer**

At the end of each week the class teacher chooses an exemplary piece of writing. This is shared with the class and children comment on the successful features of the piece. The writing is displayed outside the classrooms, annotated with comments and photograph of the child, to celebrate success and inspire others.

**Marvellous Mathematician**

At the end of each week the class teacher chooses an exemplary piece of maths work. This is shared with the class and children comment on the successful features of the piece. The work is displayed outside the classrooms, annotated with comments and photograph of the child, to celebrate success and inspire others.

**Achievement Assemblies**

Each week, children in every year group are selected to share a piece of work that they are proud of with the rest of the school during assembly. The child talks about their achievements and is rewarded with a certificate.

**Headteacher Award**

When a child has completed an outstanding piece of work they visit the headteacher to share it. The child receives a sticker to take home and a sticker in their book to record the success.
